### **Course Superintendent**

It looks as though summer has arrived. With it normally comes hot, dry weather. Please keep in mind the damage caused by golf carts to the golf course. Remember to observe the 90 degree rule and when ever possible avoid high traffic areas on and off the fairways. Also please keep all 4 tires on the paths around tees and greens. There isn't anyone coming behind you that can't go around. Thanks in advance for your help.
