Itinerary / Format

- Friday, 10 October 2025 | Practice Round
- Saturday, 11 October 2025 | Rounds 1 - 3
- Sunday, 12 October 2025 | Rounds 4 & 5 - Shootout

Matches

All teams will play (5) nine-hole four-ball matches. One match against each team in their Flight. Each player will play his own ball throughout the event. The team score is the lower of the two net scores. The team with the lowest net score wins the hole.

Team Points

The winning team on each hole will receive one point for winning that hole. If a hole is tied, each team will receive half point. Every match must complete all nine-holes. **NO** extra point for the team who won their match.

Handicaps

Handicaps are based upon 90% of their adjusted USGA course handicap. The handicap that will be used is as of October 01, 2025 and each scorecard will be dotted off the lowest handicap player in the group.

Tees

Participants **choose** which tees they will play at time of sign-up.

Flight Winners

Flights consist of six teams. At the conclusion of the fifth match on Sunday, the team with the most points in each flight will be a flight winner. Each flight winner will then compete in the quarter-final Shootout round for a chance to advance to the Shootout finals.

Ties Within Flight

Ties in the same flight will be broken by the following procedure:

- Head-To-Head Results
- Best Win-Loss-Tie record within flight
- Team Chip-off (Location determined by Tournament Committee)

Overall Champion

The quarter-final shootout will include all flight winners and 2 wildcard teams competing in Foursomes (Alternate Shot) with the low five teams advancing to the semi-final shootout. The semi-final format will be Foursomes (Alternate Shot) with the low three teams advancing to the Final Shootout round. The finals will be aggregate format (combined score) with the low team earning the title 2025 Men's Member-Guest Champions.

*Quarter and Semi Final ties broken by chip-off (Location determined by Tournament Committee)
