

Dear Members and Guests

On behalf of the Staff and Board of Directors, we would like to welcome you to the 2020 season at Breton Bay Golf & Country Club. Enclosed is your new membership application. We have restructured our golf membership fees for the coming year. We think this new structure will appeal to casual golfers who feel that they do not play enough to justify the prior membership fee as well as the golfer who plays frequently. For the golfer who plays very often we also offer a membership package that provides unlimited golf and cart. Our Family Golf membership includes privileges for children in the family who live at home up to age 26. We are very excited to bring new events, new merchandise and a new perspective to help guide you with your golfing needs. We have the passion and drive to bring new golfers to the Club enabling us to grow the membership and we are excited to teach those people that have not played before or have taken a hiatus from golf and bring them back to be a regular at the Club. Look for new programs this season. Please call upon us with any requests that may enhance your experience here at Breton Bay. NO INCREASE IN SWIM-TENNIS MEMBERSHIP FEES: We are pleased to announce that we have not increased our Swim-Tennis membership fees this year. Our Swim-Tennis memberships are separate from our Golf memberships. Members can also choose to have their credit card or checking account automatically charged for each month's dues, course fees, Grill, and Pro Shop merchandise purchases. Please think of us first when it comes to Junior Camps. We know it is difficult to keep kids involved in constructive activities come summer time. We offer golf and tennis camps for juniors of all ages and support the Breton Bay Swim Team. If you have any special requests, we are here to listen and will try to implement those ideas so everyone

may benefit. Please take the time to fill out your application in full and return it to the Business Office to renew your membership by March 31. If you have any questions, please call Brooke Stickel at 301-475-3068 for assistance. We look forward to seeing each of you as the weather improves. Get your golf clubs, tennis racquets and bathing suits out of the closet. It's going to be a fun year.

It's a New Day at the Bay!

Howard Wentworth
